

JULIE LITTLECHILD

THE PURSUIT OF ABSOLUTE ENGAGEMENT

Design a business that supports the life you (really) want to live

According to Julie Littlechild, the most successful professionals fall victim to the 1-degree effect, an unintentional drift from the things that energize and inspire them. They are successful but not always fulfilled – good but not great.

But it doesn't have to be that way. Her research shows that those who are 'Absolutely Engaged' not only generate more revenue, but report better health, lower stress and spend more time doing the work that they alone should do.

In this inspiring presentation, Julie shares powerful stories, compelling data and a step-by-step plan to achieve Absolute Engagement.

Takeaways:

- The 3 things that the 'Absolutely Engaged' do differently.
- The 5 steps you need to take to achieve Absolute Engagement.
- The questions you need to create a meaningful personal vision
- A process to align your personal vision with your business vision and how you engage your clients and your team.
- Tactics that will help you create personal accountability.

About the Speaker

Julie Littlechild is a speaker, writer and researcher. Her firm, AbsoluteEngagement.com, conducts on-going research into the drivers of personal, client and team engagement and translates the findings into powerful presentations and workshops. With a unique blend of inspiration, humor and evidence Julie takes the audience on a journey that opens their eyes to the possibility of a business that delivers both meaning and momentum.

Julie has worked with and studied top producing professionals, their clients and their teams for twenty years. She is a recognized expert on driving deeper engagement and growth and the author of a popular blog.

She sat on the national board of the Financial Planning Association from 2010 – 2013, was twice identified as one of the 25 Most Influential People in Financial Planning by Investment Advisor Magazine and won the Influencer Award in practice management from Financial Planning Magazine. She works in the US, Canada, UK and Europe and holds an MBA from the University of Toronto.
